

Technical Data Sheet (TDS)

Product Name: Extra Finish

Category: Stone & Surface Care – Final Cleaning & Shine Restorer

Product Description :

Extra Finish is a high-quality emulsion made from the finest waxes and water-based acrylic. It is specially formulated to remove cement residues and efflorescence while restoring natural shine. The product is ideal for both matt and glossy surfaces, providing an excellent final touch after cleaning or installation.

Detailed Product Overview:

Extra Finish is a high-quality emulsion made from selected natural waxes and water-based acrylics. It is specially formulated for the final cleaning and finishing stage after installation or polishing of stone, ceramic, and porcelain surfaces. Unlike protective varnishes, **Extra Finish** works as a specialized cleaning and shining solution, effectively removing cement residues, efflorescence, gypsum marks, and installation haze. It restores the natural shine of both matt and glossy surfaces, leaving them clean, smooth, and visually enhanced.

Technical Information:

Property	Value
Appearance	Milky liquid, dries to a clear finish
Chemical Base	Water-based acrylic & natural wax emulsion
Density (at 25°C)	~1.00 – 1.05 g/cm ³
pH Value	Neutral (7 – 8)
Coverage Rate	Approx. 30 m ² per 1L (depending on surface porosity)
Drying Time	Touch dry: 15–20 min / Full effect: 1–2 hours
Shelf Life	12 months in unopened original container
Packaging	1 L – 5 L – 10 L – 25 L

Application Instructions:

- Clean the surface thoroughly before application.
- For **direct use**: apply Extra Finish using a clean cotton cloth to restore shine.
- For **diluted use**: mix at a ratio of **1:1 (product:water)** and wash the surface normally.
- Allow to dry completely before walking on or reusing the area.
- Do not rinse the surface with water immediately after application.

Suitable Substrates:

- Marble
- Ceramic
- Porcelain (matt or glossy)
- HDF flooring
- Stone surfaces after polishing
- Walls after finishing (removal of gypsum or cement residues)

Key Features & Benefits:

- Restores natural shine to matt and glossy finishes
- Removes cement haze, gypsum residues, and efflorescence
- Works as a specialized cleaning shampoo (not a protective varnish)
- Suitable for household use – easy and safe application
- Provides fast results with minimal effort
- Enhances the overall appearance of surfaces after installation or polishing

Storage & Safety:

- Store between 5°C – 30°C in a cool, dry place.
- Protect from frost and direct sunlight.
- Keep containers tightly closed when not in use.
- Shelf life: 12 months from production date in unopened packaging.
