

Technical Data Sheet (TDS)

Product Name: Ultra Varnish

Category: Stone Protection & Finishing – Gloss Enhancer / Varnish

Product Description :

Ultra Varnish is a high-quality finishing product designed for all types and colors of marble and granite. It enhances natural stone colors, provides a brilliant glossy finish, and eliminates cement haze and efflorescence that may appear during finishing stages. Formulated with premium-grade silicones and transparent polishing agents, Ultra Varnish ensures a durable, non-yellowing, and peel-resistant finish.

Detailed Product Overview:

Ultra Varnish is specially engineered to highlight the depth and vibrancy of natural stone surfaces. It forms a strong, transparent, and glossy layer that not only enhances aesthetics but also protects against environmental damage. Its easy-to-use formula requires no professional applicator, making it suitable for both professional stone care and household applications. Quick drying and user-friendly, it is the perfect solution for marble, granite, and polished stones.

Technical Information:

Property	Specification
Appearance	Transparent liquid
Composition	Silicone-based with polishing agents
Finish	Brilliant glossy finish
UV Resistance	Excellent, non-yellowing
Efflorescence Removal	Effectively removes cement haze
Drying Time	30–60 minutes (touch dry), 6–12 hours (full cure)
Coverage	10–15 m ² /L (depending on surface porosity & application method)
Compatibility	Safe on all types of natural marble
Application Temp.	10°C – 35°C
Packaging Sizes	1 L – 5 L – 10 L – 25 L

Application Instructions:

1. Clean the surface thoroughly to remove dust, grease, and residues.
2. Apply a small amount of Ultra Varnish directly onto the surface.
3. Spread evenly using a clean, dry cotton cloth.
4. Allow to dry naturally. No professional applicator is required for home use

Suitable Substrates:

- Marble (all colors and types)
- Granite (all colors and types)
- Polished natural stone surfaces

Key Features & Benefits:

- **Enhances and highlights natural stone colors**
- **Provides a brilliant, high-gloss finish**
- **Removes cement haze and efflorescence effectively**
- **Non-yellowing and peel-resistant**
- **Easy-to-apply, no professional tools required**
- **Quick drying, user-friendly formula**
- **Suitable for household or professional use**

Storage & Safety:

- Store in a **cool, dry place** between 5°C and 35°C.
- Keep containers sealed when not in use.
- Protect from direct sunlight and heat sources.
- Shelf life: **12 months** in unopened original packaging.
- **Safety:** Use gloves during application. Ensure proper ventilation. Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water. Keep out of reach of children.
